

1.3 COMPANY SAFETY STATEMENT

The general Statement on this page sets out the Safety Policy of Castlerock Building Services.

It is this Company's intention that its work will be carried out in accordance with the relevant statutory provisions of the Safety, Health & Welfare at Work Act 2005, the Safety, Health & Welfare at Work (General Application) Regulations 2007, Working at Height Regulations, Electricity Regulations, the Construction Regulations and any other applicable regulations from those implemented in 2007. All reasonable practicable measures will be taken to minimise risk to employees or others who may be affected by company activities.

Richard Flood has appointed Brian Flood as having responsibility for managing Health, Safety & Welfare. Reference should be made to Brian Flood, in the event of any difficulty arising in the implementation of this policy. Richard Flood will have ultimate responsibility for ensuring that the provisions of this Safety Statement are implemented.

The Success of the policy will depend on the co-operation of all employees. It is therefore important that you acquaint yourself with all areas of the Safety Statement. You should ensure that you understand your role and the overall arrangements for Health & Safety within the Company and within your individual area. You should also be aware that you have an obligation to take care of your own safety and that of others that might be affected by your actions.
